HAPPY Thanksgiving

THURSDAY, NOV. 24

Heavenly Father, on Thanksgiving Day, we bow our hearts to You and pray. We give You thanks for all You've done, especially for the gift of Jesus, Your Son. For beauty in nature, your glory we see, for joy and health, friends, and family. For daily provision, your mercy and care, these are the blessings You graciously share. So today we offer this response of praise with a promise to follow You all of our days.

President's Message

So Much to be Thankful for

November is the time when we focus on all the things we have to be thankful for. I know I am thankful for my wife and children. I am thankful for my health, my home, and the stability that my job brings to my life. And I am thankful for all of you, my church friends. You have all been so supportive and reassuring to me as I took on the role of Council President. I am very thankful for all of the emails and texts you have sent and for all of the kind words you have offered when we spoke in the narthex on Sunday morning or during coffee time after a service.

I am also thankful for the fact that you all have been so giving of your time and talents. That you have volunteered for the traditional roles that we have at our church – readers, communion assistants, ushers, acolytes – as well as some of the newer roles we have at Our Saviour's – the Technology Team and Office Hours.

And I am thankful for our reinvigorated committees. The Social Ministry Committee has been busy planning events, as has the Women's Ministry Committee. The Christian Education Committee has restarted Sunday School after the summer hiatus. The Worship and Music Committee enlivens our services with beautiful music from our choir, the bell choir and with guest musicians. And the Property Committee is always busy maintaining our campus. We look forward to more events in the future.

I am also thankful for Getsemani Apostolic Church, the group that rents Moreland Hall from us. Their financial contributions to OSLC have been helpful in supporting our ongoing mission.

We also observe Veterans' Day in November. I am very thankful for the veterans who have given so much of themselves in service to our country and who have made the lives we lead possible by their sacrifices. Many of our members have been service people or family and friends of service people, and I want to thank them for their devotion to the country.

Finally, I want to say thank you to all the children of Our Saviour's. It is such a joy to see you all in church, to hear you singing the hymns, and to watch as you grow up as fine young people who are a credit to our community. I look forward to your confirmations.

I could go on and thank each of for the things you have done this year that have made Our Saviour's such a wonderful place to worship, but I'll do that one-on-one when I see you in church.

Sunday mornings are fun times to talk about new ideas you may have for the rest of the year. If you have questions or would like to meet to discuss anything, feel free to reach out to me via email at sayorange714@gmail.com or call/text me at 714-497-6224. Remember to be thankful for all we have and to SHINE and share the light of Jesus Christ!

Our Saviour's Children's Center

Happy Thanksgiving!

OSCC is well into the 2022-2023 school year. We have our annual Halloween celebrations and Parade scheduled for October 31st. We are excited we have a full Infant/Toddler program this year for the first time since pre-Covid. We still have openings in the Jr Preschool, Preschool, and PreK/Kinder programs although not very many openings in some of those classes.

We have begun our Spanish program and are looking forward to seeing that program grow. We are looking forward to our Christmas program which will be on December 1st at 4pm in the Sanctuary.

OSCC will be closed on Thursday, November 24 and Friday 25.

Thank you everyone that came out to support us at Zito's for the fundraiser!

Happy Holidays!

“...ARRANGE IN ADVANCE FOR THIS
BOUNTIFUL GIFT
THAT YOU HAVE PROMISED”
2 Corinthians 9:5

A construction company owner in another congregation shared the day he hired a group of day workers for a job. One came to him and asked “*May I have my pay now? My friend over there has not eaten for 3 days. I will finish the day for my friend.*”

Commit intentionally means making a statement about your intent and following through. We are called to share the **Gospel**, the Good News of God’s love in Christ. Not just talk good news; *be good news*. That is **Evangelism**. As members in the Body of Christ, we are asked to make a commitment of our time, talents, and resources as a faithful response to God and as a statement of support for God’s work. Teaching Sunday School is doing evangelism. Ushering, singing in the choir is doing evangelism. Giving flowers for the service or refreshments after worship is doing evangelism. Every member can be part of the evangelism of Our Saviour’s Lutheran.

Holy Humor

A guide for success: Everything I need to know, I learned from Noah's Ark

1. Don't miss the boat.
2. Remember we are all in the same boat.
3. Plan ahead. It wasn't raining when Noah built the Ark
4. Stay fit. When you are 600 years old someone may ask you to do something really big.
5. Don't listen to critics; just get on with the job that needs to be done.
6. Build your future on high ground.
7. For safety's sake, travel in pairs.
8. Speed isn't always an advantage. The snails were on board with the cheetahs.
9. When you're stressed, float awhile.
10. Remember: the Ark was built by amateurs; the Titanic by professionals.
11. No matter the storm, when you are with God, there is always a rainbow waiting.

YOU ARE INVITED TO THE Great Thanksgiving Feast Sunday, November 13

Because Rally Day was such a success, we decided to once again have our Thanksgiving celebration.

On this day, we collect donations for various needs in the world. Lately we have had so many needs right here in the U.S. So once again we have designated Lutheran Disaster Response as Our Saviour's responds.

Hurricane Ian has devastated so much on the east coast that billions will be needed to repair it. We are hoping Our Saviour's would join in that response. The victims of Ian need our help.

A delicious turkey dinner will be served. This is also a chance to get to know your fellow members better.

Please join us in Moreland Hall right after church, as soon as the turkey is carved, we will eat. See you There! We need your help.

Come by to help build this into a successful group.
