## Presidents Report

Gosh can you believe it is already July 2023. Half of 2023 is gone. Time flies, huh? I hope you all are enjoying summer. It hasn't been that hot so far. We will see what July and August bring.

Kathleen and I just returned from a trip to Reno where I participated in an N scale train convention. Yes, I like trains as many of you already know. Before the convention began, we spent a couple days with past OSLC secretary Judy Carlin. It was great to see her. She is doing well.

I just received a call from Pastor Jennifer Schultz, the Orange County Regional Assistant to the Bishop concerning an interim pastor for OSLC and Christ Lutheran. She shared that there is a possible candidate and we should be hearing from them within the next three weeks concerning this candidate. In the meantime, we are continuing to utilize supply Pastors which Jan Johnson continues to coordinate. Thank you, Jan!

I am still working to obtain a couple more quotes for the church roof replacement for comparison. I have received one more quote, but it did not include replacement of the skylight. The quote stated that we would have to use another contractor for that which would complicate the effort. Stay tuned as I continue to work this.

The Family picnic scheduled on the 23<sup>rd</sup> of July should be a fun get together and fun time. Hopefully you all will be able to participate if you are not on vacation.

Continue to keep the process for obtaining an interim Pastor with Christ Lutheran in your prayers.

Blessings,  
Steve Vannier

## Independence Day

When we think about the birth of this great nation, Congress declared July the 4th 1776 and issued a proclamation. With this decree, the thirteen colonies are now free. We will no longer live under England's Monarchy. Five great men were given the task to draw up papers for freedom at last. Thomas Jefferson, we can remember. A founding father, Patriot and a Continental member. Together these men drafted the amendments. Franklin, Livingstone, Sherman and Adams, united they authored the Declarations of Independence. Battles were fought, and blood was shed. Life was lost, and men were dead. "FREEDOM" came with A heavy price. War is not pretty, nor is it nice. We can thank the Lord above. He gave us these United States, a country we can love. Men fought for our freedom, and with their lives they did pay. That's why we celebrate Independence Day.

# Our Saviour's Childrens Center

Summer has begun at OSCC! We have so many fun activities planned this summer and are looking forward to sharing all the excitement on our Facebook page. [Our Saviour's Children's Center](#) If you are interested in checking it out, look us up! As always, we lost a handful of children for the summer but are still enjoying a larger enrollment than we have had for summer in previous years. Another exciting thing for us is that Ms. Nicole is back with us. She is helping in the Preschool for the summer and potentially back in the infant/toddler rooms in the Fall.

Thank you all for your support of OSCC! We appreciate you.
